

Park Lake Presbyterian Church
PLPC Pride Booths

Park Lake PRIDE will have two booths in the Pride Marketplace. One is Pride Welcoming Booth. This booth provides information about Park Lake Presbyterian Church. Volunteers will welcome all interested festival goers and give them wristbands, information cards, stickers, and a warm welcoming smile. For seekers and inquirers, we have developed a handout explaining how we interpret Bible verses in PC(USA) and how we interpret Bible verses relating to homosexuality.

Our second booth is the popular Blessing of the Pets. Festival goers with pets are invited to bring them to the booth for a blessing. Volunteers will direct pets to be blessed and give them a remembrance token after the blessing. Volunteers willing to perform the blessing are needed; there will be training provided.

We are asking for your participation in working at our two booths. We need volunteers for the following 2 hour shifts: 12-2 pm, 2-4 pm, 4-6 pm and one hour 6-7 pm to take down. It would be helpful if you are flexible because early shifts fill up rapidly. You will be notified by email or phone the location of our booth before the event.

You can fill out this form and place it in the collection plate or email your response to Tony Davila or John Jenkins at parklakepride@gmail.com.

Thank you for your consideration!
